

“Easter Ornaments”

By Lisa M. Pace

In this class you will create 6 adorable Easter Ornaments that are perfect to accent any Easter tree, gift bag or banner. These ornaments range in size from 3” to 4” and each front showcases an adorable vintage postcard image while the back of each ornament is simply covered with images of vintage sheet music. You will accent each ornament with a silk flower, self adhesive pearls, brown & white baker’s twine and buttons.

If you choose, the vintage images can be accented with Diamond Stickers and the scroll frames can be accented using Platinum Stickers. I will show you how to accent chandelier pieces using Copic markers which can both be purchased at Crop-Paper-Scissors if you wish to accent your ornaments. There will be lots of painting, sanding, glittering and gluing in this class with the end results being spectacular.

Each kit includes step-by-step instructions with color photos for those that like to recreate projects exactly as shown. And you will receive plenty of scroll frames (a complete tin - 24 scroll frames total) to recreate ornaments for additional holidays.

For those who do not care to use glitter, please feel free to opt out as I understand not everyone loves glitter as much as I do. You can leave your scroll frames simply painted and inked. Your finished ornaments will be perfect either way.
